

Jeff Heard

Candidate for

L32 ASA Airline Representative

I am Jeff Heard and am running for the Local 32 ASA Airline Representative position. I have been with AK Airlines as a Technician, in ANC, for twenty-four years. I currently serve as the L32 ASA Airline Representative (ALR). Before this, I served as a Pro-Standards Committee Member and a Shop Representative for approximately fifteen years.

As the current L32 ASA ALR, I represent a very diverse group of approximately four hundred Technicians at eleven different stations; from Prudhoe Bay, AK (SCC) to Phoenix, AZ (PHX). I interact with the Company on behalf of individual Members with consistent Contract enforcement. Those interactions include grievance handling, employee investigations, and discipline disputes. The ALR position requires large amounts of travel, which I have, consistently, been available for.

I intend to faithfully serve and represent the Membership as a whole.

In Solidarity

Jeff Heard
