Local 32 Members:

Now that the nomination process has ended and we have started the election process, you will be receiving your ballot in the mail. On the ballot will be your personal pin and instructions on how to vote. It is also important to note, that you will need your **AMFA** number in order to cast your vote. We will be using a web based voting system from TrueBallot. You will recall that this is the same system we used for our Bylaw changes in 2016. The voting period ends Nov. 3, 2017 at 10:00am ET. The final tally will be the following day. All candidates were given the opportunity to submit a candidate profile with basic information and a picture. The profiles that were submitted can be viewed, as written by each candidate, on the Local 32 website under the Member Resources tab.

Thank You

John Butkiewicz
