

## **AIRCRAFT MECHANICS FRATERNAL ASSOCIATION**

National Office: 14001 E. Iliff Avenue, Suite 217 • Aurora, CO 80014

Tel: 303.752.AMFA (2632) • Fax: 303.362.7736

May 30, 2014

Dear AMFA Member:

In an effort to streamline data and increase utilization, AMFA National is transitioning to non-carrier specific AMFA Numbers. What this means for you is that you will need to use your new AMFA Number moving forward.

We have included your new, personalized membership card in this letter which was mailed on May 30, 2014. Please carry this card with you when attending Local and National meetings to identify yourself as a member of the Association. If your card was not included in this package, you may contact the Membership Administrator at (720) 744-6629 to get a replacement.

In addition, we encourage all of our members to register with the AMFA National Website in the "Member Login" box to ensure that you receive the most up-to-date news from the Association. The Website includes AMFA news, publications, and links to National Officers, AMFA Locals, government agencies, as well as negotiation updates.

We value all of our members and thank you for your support of our craft and your co-workers. The industry and our profession continue to face considerable challenges, and we need to promote and protect our place in the industry now more than ever. Only together can we make a difference.

Fraternally,

Justin W. Madden  
National Secretary/Treasurer
