AMFA – SWA Facilities Maintenance Technician 2nd Tentative Agreement Referendum Notice

The AMFA – Southwest Airlines Negotiating Committee has requested a system-wide referendum of the Facilities Maintenance Technician classification regarding a Tentative Agreement (TA). The complete text of the TA was emailed to each member's company email address on October 9, 2017. If you have not received the TA, please contact the Administration Director at 720-744-6629.

This secret ballot referendum is being conducted by mail, and all active members in good standing employed by Southwest Airlines in the Facilities Maintenance Technician classification are eligible to vote in this referendum. **Note:** Any member whose membership dues, fees, and/or assessment obligations have not been paid in full is a member in bad standing and, therefore, their vote will be cancelled in this referendum. Members are strongly urged to resolve any arrearage prior to the tally.

Ballots will be mailed to eligible voters at the address on record with AMFA National by October 19, 2017. Any eligible member who has not received a ballot package by October 31, 2017, or any member who spoils a ballot, may request a new ballot by contacting the Administration Director at 720-744-6629 no later than November 9, 2017. If you request another ballot, only the replacement ballot will be counted.

Mail your ballot in the pre-addressed stamped envelope in sufficient time for it to be received by 10:00 AM ET on November 16, 2017, the day of the ballot tally. The results will be announced following the ballot tally.

Anyone having questions about the voting process should contact the Administration Director at 720-744-6629.
