### **AMFA-SWA AMT Rejected Tentative Agreement Survey Notice – 2018**

The AMFA-SWA Negotiating Committee has called for a survey of the membership regarding the recent rejection of the AMFA-SWA AMT Tentative Agreement. Your feedback will help guide your Negotiating Committee to pursue an agreement worthy of the membership's approval.

This survey is being conducted by the internet, and all active members in good standing employed by Southwest Airlines under the Mechanic and Related Collective Bargaining Agreement may participate. **Note:** Any member whose membership dues, fees, and/or assessment obligations have not been reconciled is a member in bad standing and, therefore, is ineligible to participate.

Survey notices and instructions will be mailed to eligible members at the address on record with AMFA National by September 20, 2018. Any eligible member who has not received a survey notice by September 27, 2018, may request one by contacting the Administration Director at 720-744-6629.

The survey web site will be open for responses through **October 9, 2018**.

As always, we appreciate your involvement and look forward to hearing from you.
